Potential Investors of the Debentures will be responsible for the lawfulness of the acquisition of the Debentures, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates or for compliance by that potential Investor with any law, regulation or regulatory policy applicable to it.

POLITICAL AND ECONOMIC RISK IN INDIA

The Issuer operates only within India and, accordingly, all of its revenues are derived from the domestic market. As a result, it is highly dependent on prevailing economic conditions in India and its results of operations are significantly affected by factors influencing the Indian economy. An uncertain economic situation, in India and globally, could result in a further slowdown in economic growth, investment and consumption. A slowdown in the rate of growth in the Indian economy could result in lower demand for credit and other financial products and services and higher defaults. Any slowdown in the growth or negative growth of sectors where the Issuer has a relatively higher exposure could adversely impact its performance. Any such slowdown could adversely affect its business, prospects, results of operations and financial condition.

RISKS RELATED TO THE BUSINESS OF THE ISSUER**1. *Non-Performing Assets (NPA) and Loan Loss Reserves***

As on 30th Jun 23, the Gross Portfolio of the Issuer is Rs.761.80 Cr. All Loans disbursed by the issuer from 1st April 22 have 100% on time collection efficiency. Client has maintained excellent portfolio quality in the last one year with strong credit appraisal and close monitoring of collections. Portfolio is well diversified across segments and products. As on 30th Jun, 60% of the portfolio is secured by Gold and Hard Collateral.

Further, the Issuer is maintaining 25% capital adequacy, while the regulatory requirement is only 15%. Further the Issuer has higher profitability with 6.2% ROA for FY23 and 6.8% in Q1FY24.

The Client Loans are secured against hypothecation of stock, receivables and other current assets and the clients of these loans are of low risk category as they are backed by Gold, which is liquid.

As on 30th Jun' 2023, the gross NPA was Rs. 430,260/- on a gross portfolio of Rs. 7,616,971,383.95/- (including managed / securitized portfolio of Rs. 518,789,714.00).

The Issuer cannot assure that the Issuer will be able to effectively control and reduce the level of NPAs in its total loan portfolio. The amount of the Issuer's reported non-performing loans may increase in the future as a result of growth in the total loan portfolio, and also due to factors beyond the Issuer's control. Failure to manage NPAs or effect recoveries will result in operations being adversely affected.

The Issuer's current loan loss reserves may not be adequate to cover an increase in the amount of NPAs or any future deterioration in the overall credit quality of the Issuer's total loan portfolio. As a result, if the quality of the Issuer's total loan portfolio deteriorates the Issuer may be required to increase the loan loss reserves, which will adversely affect the Issuer's financial condition and results of operations.

2. Interest Rate Risk.

The Company's interest income from lending is dependent upon interest rates and their movement. Interest rates are highly sensitive to many factors beyond the control of the Company, including the monetary policies of the RBI, domestic and international economic and political conditions, inflation and other factors. Due to these factors, interest rates in India have historically experienced a relatively high degree of volatility. Consequently, there can be no assurance that significant interest rate movements will not have an adverse effect on the Company's financial results and/or operations.

3. Access to Capital Market and Commercial Borrowings

With the growth of its business, the Company will increasingly rely on funding from the debt capital markets and commercial borrowings. The Company's growth and financial performance will depend on its continued ability to access funds at competitive rates which in turn will depend on various factors including its ability to maintain its credit ratings.

4. Operational and System Risk

The Company is faced with operational and system risks, which may arise because of various factors, viz., improper authorizations, failure of employees to adhere to approved procedures, inappropriate documentation, failure in maintenance of proper security policies, frauds, inadequate training and employee errors. Further, the Company also faces security risk in terms of system failures, information system disruptions, communication systems failure which involves certain risks like data loss, breach of confidentiality and adverse effect on business continuity and network security.

If any of the systems do not operate properly or are disabled or if other shortcomings or failures in internal processes or systems are to arise, this could affect the Company's operations and/or result in financial loss, disruption of the Company's businesses, regulatory intervention and/or damage to its reputation. In addition, the Company's ability to conduct business may be adversely impacted by a disruption (i) in the infrastructure that supports its businesses and (ii) in the localities in which it is located.

5. The Issuer's business operates through a large number of rural and semi urban branches and is exposed to operational risks including fraud

The Issuer is exposed to operational risks, including fraud, petty theft and embezzlement, as it handles a large amount of cash due to high volume of small transactions. This could harm its operations and its financial position.

As the Issuer handles a large amount of cash through a high volume of small transactions taking place in its network, the Issuer is exposed to the risk of fraud or other misconduct by its employees or outsiders. These risks are further compounded due to the high level of delegation of power and responsibilities that the Issuer's business model requires. Given the high volume of transactions processed by the Issuer, certain instances of fraud and misconduct may go unnoticed before they are discovered and successfully rectified. Even when the Issuer discovers such instances of fraud or theft and pursue them to the full extent of the law or with its insurance carriers, there can be no assurance that the Issuer will recover any such amounts. In addition, the Issuer's dependence upon automated systems to record and process transactions may further increase the risk that technical system flaws or employee tampering or manipulation of those systems will result in losses that are difficult to detect.

The Issuer has avoided dealing with cash to the maximum extent possible. Excepting few small ticket Gold Loans, which are disbursed in cash, Group Loans and MSME Loans are disbursed through Bank. Only Group Loans have collections done in cash and Gold Loans, if the collection amount is >2L and MSME collections are done through Bank mode done.

Branches are audited frequently and the Cash balance checks are conducted frequently. The Issuer also has a strong MIS system that has a wide range of data that can be used to monitor financial and operational performance.

To mitigate the above risk, the Issuer maintains an internal audit process to ensure that the operations team follows the defined procedures and reports any deviations to the Management. The Issuer also has a MIS system able to generate data analysis that can be used to monitor financial and operational performance.

6. *Loans due within two years account for almost all of the Issuer's interest income, and a significant reduction in short term loans may result in a corresponding decrease in its interest income*

A majority of the loans the Issuer issues are due within approximately two years of disbursement. The relatively short-term nature of the Issuer's loans means that the Issuer's long-term interest income stream is less certain than if a portion of its loans were for a longer term. In addition, the Issuer's customers may not obtain new loans from the Issuer upon maturity of their existing loans, particularly if competition increases. The potential instability of the Issuer's interest income could materially and adversely affect the Issuer's results of operations and financial position.

The loans given by the issuer are at fixed interest rate, and the tenor of the underlying asset has increased from one year to two year which has provided stability to the portfolio and interest income and has also smoothed operating expense.

7. *Any inability of the company to attract or retain talented professionals may impact its business operations*

The business in which the Company operates is very competitive and ability to attract and retain quality talent impacts the successful implementation of growth plans. The Company may lose business opportunities and its business would suffer if such required manpower is not available on time. The inability of the Company to replace manpower in a satisfactory and timely manner may adversely affect its business and future financial performance.

In particular, the Issuer's senior management has significant experience in the financial services industries. The loss of any of the Issuer's executive officers, key employees or senior managers could negatively affect its ability to execute its business strategy, including its ability to manage its rapid growth. The Issuer's business is also dependent on its team of personnel who directly manage its relationships with its members. The Issuer's business and profits would suffer adversely if a substantial number of such personnel left the Issuer or became ineffective in servicing its members over a period of time. The Issuer's future success will depend in large part on its ability to identify, attract and retain highly skilled managerial and other personnel. Competition for individuals with such specialized knowledge and experience is intense in this industry, and the Issuer may be unable to attract, motivate, integrate or retain qualified personnel at levels of experience that are necessary to maintain its quality and reputation or to sustain or expand its operations. The loss of the services of such personnel or the inability to identify, attract and retain qualified personnel in the future would make it difficult for the Issuer to manage its business and growth and to meet key objectives.

Headcount of employees increased from 150 in April 22 to 1,300 by June 23. It is evident from the multi-fold growth in the headcount that the Issuer has capability to attract and retain talent. In the very first year of its start of operations, the Issuer hired three vertical heads for Gold, MSME and Micro Finance. Three of them have on an average 12 years of experience in financial services. It has six qualified Chartered Accountants working at HO.

8. Employee Misconduct

Any kind of employee misconduct may impair the Company's ability to service clients. It is not always possible to deter employee misconduct and the precautions the Company takes to detect and prevent this activity may not be effective in all cases.

9. The Issuer's business and results of operations would be adversely affected by strikes, work stoppages or increased wage demands by employees

The employees are not currently unionized. However, there can be no assurance that they will not unionize in the future. If the employees unionize, it may become difficult to maintain flexible labour policies, and could result in high labour costs, which would adversely affect the Issuer's business and results of operations.

The Issuer is fully compliant with all labour policies. It has flexible working hours. Even the Micro Finance team has flexible working hours during non-collection days.

10. The Issuer's insurance coverage may not adequately protect it against losses. Successful claims that exceed its insurance coverage could harm the Issuer's results of operations and diminish its financial position

The Issuer maintains insurance coverage of the type and in the amounts that it believes are commensurate with its operations and other general liability insurances. The Issuer's insurance policies, however, may not provide adequate coverage in certain circumstances and may be subject to certain deductibles, exclusions and limits on coverage.

In addition, there are various types of risks and losses for which the Issuer does not maintain insurance, such as losses due to business interruption and natural disasters, because they are either uninsurable or because insurance is not available to the Issuer on acceptable terms. A successful assertion of one or more large claims against the Issuer that exceeds its available insurance coverage or results in changes in its insurance policies, including premium increases or the imposition of a larger deductible or co-insurance requirement, could adversely affect the Issuer's business, financial condition and results of operations.

All Borrowers and spouses of unsecured loans are insured for a sum insured equivalent to loan amount. Further, their male spouses are covered under accidental insurance. Gold lying in Branches is also insured against theft, fire etc.,

11. Downgrading in credit rating

The Company cannot guarantee that any rating will not be downgraded. In the event of deterioration in the financial health of the Company, there is a possibility that the rating agency may downgrade the rating of the Debentures. In such cases, potential investors may have to take losses on re-valuation of their investment or make provisions towards sub-standard/ non-performing investment as per their usual norms. Such a downgrade in the credit rating may lower the value of the Debentures and/or the Company's ability to meet its obligations in respect of the Debentures could be affected.

12. Debenture Redemption Reserve

NBFCs registered with RBI are exempt from the requirement of creation of debenture redemption reserve in respect of privately placed debentures. Pursuant to this rule, the Company does not intend to create any such reserve funds for the redemption of the Debentures.

13. Action upon default

The Debentures are proposed to be secured / unsecured (as shall be set out in the relevant Key Information Document). In the event that the Company is unable to meet its payment

and other obligations towards Investors under the terms of the Debentures, the Debenture Trustee may take action as per the terms of Debenture Trust Deed and the relevant Security Document.

14. Tax and other Considerations

Special tax, accounting and legal considerations may apply to certain types of potential investors. Potential investors are urged to consult with their own financial, legal, tax and other professional advisors to determine any financial, legal, tax and other implications of an investment into the Debentures.

15. The Debentures may be illiquid

The Company intends to list the Debentures on the WDM segment of BSE and / or NSE. The Company cannot provide any guarantee that the Debentures will be frequently traded on the Stock Exchange and that there would be any market for the Debentures. It is not possible to predict if and to what extent a secondary market may develop for the Debentures or at what price the Debentures will trade in the secondary market or whether such market will be liquid or illiquid. The fact that the Debentures may be so listed or quoted or admitted to trading does not necessarily lead to greater liquidity than if they were not so listed or quoted or admitted to trading.

16. Future legal and regulatory obstructions

Future government policies and changes in laws and regulations in India (including their interpretation and application to the operations of the Company) and comments, statements or policy changes by any regulator and any regulatory action, including but not limited to SEBI or RBI, may adversely affect the Debentures, and restrict the Company's ability to do business. The timing and content of any new law or regulation is not within the Company's control and such new law, regulation, comment, statement or policy change could have an adverse effect on its business, financial results and/or operations. Further, SEBI, the relevant Stock Exchange(s) or other regulatory authorities may require clarifications on this General Information Document and/or relevant Key Information Document and / or the Private Placement Offer cum Application Letter, which may cause a delay in the issuance of Debentures or may result in the Debentures being materially affected or even rejected.

NBFCs in India are subject to strict regulation and supervision by the RBI. The Issuer requires certain approvals, licenses, registrations and permissions for operating its business, including registration with the RBI as a NBFC pursuant to Section 45-IA of the RBI Act, 1934. Further, such approvals, licenses, registrations and permissions must be maintained/ renewed over time, applicable requirements may change and the Issuer may not be aware of or comply with all requirements all of the time. In particular, the Issuer is required to obtain a certificate of registration for carrying on business as a NBFC-ND-SI that is subject to numerous conditions. Additionally, RBI has issued detailed directions on prudential norms *inter alia* prescribing guidelines on income recognition, asset classification and provisioning requirements applicable to NBFCs, exposure norms, disclosures in the balance sheet, requirement of capital adequacy, restrictions on investments in land and building and unquoted shares besides others. In addition, its branches are required to be registered under the relevant shops and establishments laws of the states in which they are located. The shops and establishments laws regulate various employment conditions, including working hours, holidays and leave and overtime compensation. If the Issuer fails to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, its business may be adversely affected. If the Issuer fails to comply, or a regulator claims that it has not complied, with any of these conditions, the Issuer's certificate of registration may be suspended or cancelled, and it shall not be able to carry on such activities. If the Issuer fails to comply with any directions issued applicable on NBFCs and fails to maintain the status of NBFC it may attract penal provisions under the RBI Act, 1934 for non-compliance. The penal action can also result in RBI cancelling the certificate of registration issued to the NBFC.

The Promoter and the MD of the Issuer has over 20 years of managing NBFC and NBFC MFI. She has excellent track record in terms of NBFC Compliances. As the management is not new to NBFC structured and related compliance, the risk of non-compliance and related risks are very low.

17. A slowdown in economic growth in India

The Company's performance and the quality and growth of its assets are necessarily dependent on the health of the overall Indian economy. A slowdown in the Indian economy may adversely affect its business, including its ability to enhance its asset portfolio and the quality of its assets, and its ability to implement certain measures could be adversely affected by a movement in interest rates, or various other factors affecting the growth of industrial, manufacturing and services sector or a general downtrend in the economy. Any adverse revision to India's credit rating for domestic and international debt by international rating agencies may adversely impact the Company's ability to raise additional financing and the interest rates and other commercial terms at which such additional financing is available.

RISKS IN RELATION TO THE SECURITY CREATED IN RELATION TO THE DEBT SECURITIES. FURTHER, ANY RISKS IN RELATION TO MAINTENANCE OF SECURITY COVER OR FULL RECOVERY OF THE SECURITY IN CASE OF ENFORCEMENT

(a) Security and Guarantee may be insufficient to redeem the Secured Debentures

In the event that the Company is unable to meet its payment and other obligations towards Investors under the terms of the Secured Debentures, the Debenture Trustee may enforce the Security and/or invoke the Guarantee as per the terms of security documents, and other related documents executed in relation to the Secured Debentures. The Debenture Holder(s)' recovery in relation to the Secured Debentures will be subject to (i) the market value of such Security (ii) finding willing buyers for the Security at a price sufficient to repay the Debenture Holder(s)' amounts outstanding under the Secured Debentures. There is a risk that the value realised from the enforcement of the Security may be insufficient to redeem the Secured Debentures.

Even though the Secured Debentures are to be secured to the extent of at least 100% (One Hundred percent) of the principal and interest amount or as per the terms of this General Information Document, in favor of the Debenture Trustee, the recovery of 100% of the amount shall depend on the market scenario prevalent at the time of enforcement of the security.

RISKS RELATING TO THE DEBENTURES

1. Debentures that are listed or quoted or admitted to trading may not lead to greater liquidity

It is not possible to predict if and to what extent a secondary market may develop in the Debentures or at what price the Debentures will trade in the secondary market or whether such market will be liquid or illiquid. If so specified in this General Information Document and/or Key Information Document and / or the Private Placement Offer cum Application Letter, application has been made to list or quote or admit to trading the Debentures on the stock exchange or quotation system(s) specified. If the Debentures are so listed or quoted or admitted to trading, no assurance is given that any such listing or quotation or admission to trading will be maintained. The fact that the Debentures may be so listed or quoted or admitted to trading does not necessarily lead to greater liquidity than if they were not so listed or quoted or admitted to trading. The listing of the Debentures is subject to receipt of the final listing and trading approval from the Stock Exchange.

The more limited the secondary market is, the more difficult it may be for holders of the Debentures to realise value for the Debentures prior to redemption of the Debentures.

2. *Changes in government policies and laws in India may adversely affect the Debentures*

Future government policies and changes in laws and regulations in India and comments, statements or policy changes by any regulator, including but not limited to the SEBI or the RBI, may adversely affect the Debentures. The timing and content of any new law or regulation is not within the Company's control and such new law, regulation, comment, statement or policy change could have an adverse effect on market for and the price of the Debentures.

3. *Political instability or changes in the government could delay further liberalization of the Indian economy and adversely affect economic conditions in India generally*

Since 1991, successive Indian governments have pursued policies of economic liberalization. The role of the Central and State Governments in the Indian economy as producers, consumers and regulators has remained significant. If there was to be any slowdown in the economic policies, or a reversal of steps already taken, it could have an adverse effect on the debt market which as such is exposed to the risks of the Indian regulatory and policy regime.

4. *You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the Debentures.*

Our ability to pay interest accrued on the Debentures and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors inter-alia including our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the Debentures and/or the interest accrued thereon in a timely manner or at all.

5. *There may be no active market for the non-convertible debentures on the WDM segment of the stock exchange. As a result, the liquidity and market prices of the non-convertible debentures may fail to develop and may accordingly be adversely affected.*

There can be no assurance that an active market for the Debentures will develop. If an active market for the Debentures fails to develop or be sustained, the liquidity and market prices of the Debentures may be adversely affected. The market price of the Debentures would depend on various factors inter alia including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country; (ii) the market for listed debt securities; (iii) general economic conditions; and (iv) our financial performance, growth prospects and results of operations. The aforementioned factors may adversely affect the liquidity and market price of the Debentures, which may trade at a discount to the price at which you purchase the Debentures and/or be relatively illiquid.

(a) **Overview of the business of the Issuer**

Keertana is a new generation Inclusive and Rural focused financial Institution that leverages cutting edge technology to enable access of credit in a hassle free, affordable and at convenience to its customers. Promoter Ms. Padmaja Reddy and her founding team members bring with them over 100+ years of collective experience in the small business lending. Ms. Reddy after having spent over 2 decades in building one of India's leading Microfinance Institution, Spandana Sphoorty Financial Limited, parted ways to focus on evolving enterprise business segment whose credit demand is largely unmet. This segment is traditionally un-served by banks, underserved by NBFCs, and beyond the serviceable limits of NBFC-MFIs. The focus areas chosen were Gold Loans, Micro Enterprise lending both secured and unsecured to start with.

The idea of Keertana took birth in November 2021. Rationale

The assigned rating factors in the augmentation of Keertana Finserv Private Limited's (Keertana) capital profile, which has supported the increase in its scale of operations. The company received capital of Rs. 149.2 crore¹ in FY2023 and Rs. 38.0 crore in Q1 FY2024 from the promoters. The promoters plan to infuse further capital in the near term in view of the company's steep growth plans. Keertana's assets under management (AUM) increased to Rs. 609.2 crore as of March 2023 and further to Rs. 761.7 crore as of June 2023 from Rs. 268.9 crore as of June 2022. It has a presence in segments such as gold loans, joint liability group (JLG; group) loans, micro, small and medium enterprise (MSME) loans and loan against property (LAP). However, the operations are geographically concentrated at present, with Andhra Pradesh contributing 94% to the AUM as of June 2023.

ICRA notes the healthy net profitability {profit after tax (PAT)/average managed assets (AMA)} reported by the company (4.7% in FY2023 and 6.0% in Q1 FY2024), supported by the higher net interest margin and limited credit costs. Going forward, Keertana's ability to sustain healthy asset quality and earnings, as it expands, and increase the share of the non-gold loan businesses remains to be seen. ICRA notes that while the share of loans from promoters and related entities has declined from 61% as of June 2022 to 14% as of June 2023, Keertana's borrowing profile is skewed towards funding from non-banking financial companies (NBFCs) contributing to 46% as of June 2023 (39% as of June 2022). The company during the last 12-15 months has been able to raise borrowings from multiple sources including a few banks, non-convertible debentures (NCD) and securitisation. Nevertheless, it would be crucial for the company to improve its borrowing profile by increasing the share of banks, which could support the company's steep growth plans and lower its cost of borrowing.

The ratings continue to factor in the long-standing experience of the promoter in the retail lending business. Keertana has been promoted by Ms. Padmaja Reddy, who is the founder, promoter and erstwhile Managing Director (MD) of Spandana Sphoorthy Financial Limited (SSFL; non-banking financial company-microfinance institution (NBFC-MFI)). It is, however, crucial for the company to have a stable senior management team, with the timely augmentation of the same, in view of its growth plans.

¹ Rs. 109.2 crore in April 2022, Rs. 10 crore in September 2022 and Rs. 30 crore in November 2022

Key rating drivers and their description

Credit strengths

Long-standing experience of promoters in retail lending business – Keertana is a non-deposit taking NBFC, incorporated in 1996. It received its NBFC licence from the Reserve Bank of India (RBI) in 2001. The company did not have any operations till the current promoters acquired it on March 31, 2022. Ms. Padmaja Reddy is the founder and ex-MD of SSFL; she has vast experience in handling microfinance, gold loans, agriculture and related loans, LAP and MSME loans via SSFL and Criss Financials Limited. The current team comprises personnel with adequate experience, though there has been sizeable attrition at the senior management level in the last one year. It would be crucial for the company to have a stable senior management team, with timely augmentation of the same in view of its growth plans.

Capitalisation profile sufficient for near term; timely capital infusions critical for medium-term growth plans – Keertana's capitalisation profile, with a gearing of 2.8 times and a capital adequacy ratio of 27.3% as of June 2023, continues to be supported by regular capital infusions from the promoters. It had received incremental capital of Rs. 149.2 crore and Rs. 38 crore from its promoters in FY2023 and Q1 FY2024, respectively. Given the steep growth plans, ICRA expects that Keertana would require incremental capital infusion of Rs. 250-300 crore over the next two years (of which Rs. 110 crore is planned to be infused in the near term), which could be provided by the promoters. The promoters hold a stake of 14.1% in SSFL as of June 30, 2023 (valued at ~Rs. 721 crore as of June 30, 2023²) and have adequate financial flexibility to infuse capital to support growth. Keertana is expected to keep its leverage below 4 times in the medium term.

Healthy asset quality and earnings profile²; however, sustainability of the same over the medium term would be crucial – Keertana maintained healthy asset quality, recording 90+ days past due (dpd) of 0.01% as of March 2023 (0.01% as of June 2023), which resulted in limited credit costs during this period. The net interest margin was healthy at 12.4% in FY2023 and 14.0% in Q1 FY2024, given the low leverage. ICRA expects the blended yields, and consequently the interest margins, to remain strong on the back of the increasing exposure towards high-yielding segments, i.e. group loans, LAP and MSME.

The operating expenses ratio (Operating expenses/Average Managed Assets) for FY2023 and Q1 FY2024 stood at 6.2% and 5.4%, respectively, on account of branch expansion. The company has slowed down the gold loan branches and is focusing on group loan/MSME branches, which can be maintained at a comparatively lower operating cost. Keertana's ability to improve its operational efficiency and reduce its operating cost-to-income ratio would be key for sustaining its healthy earnings profile going forward. Overall, the net profitability stood at 4.7% in FY2023 and 6.0% in Q1 FY2024, supported by improved net interest margin and limited credit costs. Going forward, Keertana's ability to maintain the healthy performance of its asset quality on a sustained basis would be a key monitorable, given its limited business vintage.

Credit challenges

Steep growth plans; geographically concentrated operations – Keertana commenced operations in April 2022 with the takeover of assets totalling Rs. 205 crore from Spandana Mutual Benefit Trust (SMBT) and Spandana Rural and Urban Development Organization (SRUDO). Its AUM increased to Rs. 609.2 crore as of March 2023 and further to Rs. 761.7 crore as of June 2023 from Rs. 268.9 crore as of June 2022. The company had 248 branches as of June 2023, of which 225 were operating with the rest expected to commence operations shortly. Gold loans contributed 55% to the AUM as of June 2023 (63% as of March 2023), while group loans, MSME and LAP accounted for 30%, 10% and 5%, respectively.

Keertana is planning a robust pace of branch expansion and expects to achieve a loan portfolio of Rs. 2,500 crore as of March 2025. It expects to increase its branch network to 400 by March 2025 to support its steep growth plans. The portfolio mix

² Ratios for FY2023 are as per ICRA's calculations; adjustments have been made taking into consideration the transfer of assets from Group entities to Keertana as on April 4, 2022. If the ratios are computed based on the reported financial statements, the net interest margin, operating expenses/AMA and PAT/AMA would have been 16.4%, 8.2% and 6.1%, respectively.

between gold loan and other segments is expected to be 40:60 (gold loan: non-gold loan) over the medium term. The operations are geographically concentrated currently, with Andhra Pradesh contributing 94% to the AUM as of June 2023. However, the company plans to increase the share of portfolio in Telangana, Karnataka and Tamil Nadu. It also plans to foray into Odisha to expand the group loan portfolio in the current year.

The rating factors in the risks associated with the marginal borrower profile, sizable share of unsecured lending, along with the challenges associated with a high pace of growth and employee attrition.

Scope for improvement in funding profile – Over the last one year, Keertana secured funding from multiple sources including from NBFCs, banks, market issuances (NCD) and securitisation. The funding, however, remains skewed, with NBFCs contributing to 46% of total borrowings as of June 2023, followed from banks at 22% (including small finance banks of 3%), promoters and related entities (14%), via non-convertible debentures (11%) and securitisation (7%). Going forward, it would be crucial for the company to improve its borrowing profile by increasing the share of banks, which could support the company's steep growth plans and lower its cost of borrowing.

Liquidity position: Adequate

Keertana has adequate liquidity with cash and cash equivalents of Rs. 12.7 crore and undrawn sanctions of Rs. 61.2 crore as on May 31, 2023. The company has repayments of Rs. 132.8 crore due during June-August 2023 (including interest of Rs. 14.7 crore). No cumulative mismatches were observed in the asset-liability maturity (ALM) profile, as on May 31, 2023, as most of the loans extended by Keertana are short term in nature.

Rating sensitivities

Positive factors – ICRA could change the outlook to Positive or upgrade the ratings if the company scales up its portfolio and improves its borrowing profile, while maintaining a healthy earnings and asset quality performance.

Negative factors – ICRA could change the outlook to Negative or downgrade the ratings if the company is unable to maintain stable asset quality or operational efficiency, which could adversely impact its earnings profile. A stretched capitalisation profile could also adversely impact the ratings.

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Item No. 3:

Members are requested to note that, in light of our company's strategic business plan and the projected growth, the Board of Directors convened on the 27th of September 2023. Subject to your esteemed approval, the Board has granted its consent to enhance the limit for the issuance of Non-Convertible Debentures (NCDs) from Rs. 400 Crores (this approval was obtained during the Annual General Meeting held on May 19, 2023) to Rs. 800 Crores for the financial year 2023-24. This increase encompasses NCDs that have already been borrowed.

The purpose behind this decision is to enable the company to raise essential funds through the issuance of NCDs via private placement, with an upper limit of Rs. 800 Crores (Rupees Eight Hundred Crores Only).

Further, the Board is authorised to undertake all acts, deeds, matters and things as it may in its absolute discretion deem necessary, expedient, proper or desirable, in respect of issuance of NCDs under private placement including but not limited to determine the terms and conditions of the NCDs to be issued, number of NCDs to be issued, issue price, face value, issue size, coupon, tenor, objects of the issue, etc.

Accordingly, the approval of the Members is sought by way of special resolution to create, offer(s) or invitation(s) to subscribe to, issue and allot subordinated or unsubordinated, perpetual or non-perpetual listed or unlisted, secured or unsecured, nonconvertible debentures under private placement, in one or more tranches, for an amount not exceeding Rs. 800 Crores and as per the terms to be decided by the Board, during the period of one year from the date of passing of the Special Resolution set out at Item no. 3 of this Notice.

None of the Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the Special Resolution, except to the extent of the NCDs that may be subscribed by any entity in which any of the Directors or Key Managerial Personnel of the Company or their relatives may be concerned or interested in any capacity.

Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

To the Members of Keertana Finserv Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Keertana Finserv Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss, and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the Institute of Chartered Accountants of India. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The comparative financial information of the Company for the year ended 31st March, 2022 is based on the previously issued statutory financial statements which were audited by the predecessor auditor who expressed unqualified opinion vide report dated 25th April, 2022.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be

materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and for Internal Financial Controls over Financial Reporting

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting with specific reference to smaller, less complex companies issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect

the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The Company has prepared these financial statements to comply in all material aspects with the accounting standards notified under section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014 and also as per the guidelines for prudential norms prescribed by the Reserve Bank of India. The financial statement have been prepared under the historical cost convention on an accrual basis. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year. All assets and liabilities have been classified as current or non-current as per criteria set out in the Division I of Schedule III to the Companies Act, 2013.

Further the company has made additional disclosures in the financial statements as per RBI/2022-23/26 DOR.ACC.REC.No.20/21.04.018/2022-23, dated 19th April 2022, issued by the Reserve Bank of India as applicable NBFC-ND-BL.

Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and reported amounts of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the result are know/materialised.

Revenue Recognition

Revenues are recognized and expenses are accounted on accrual basis with necessary provisions for all known liabilities and losses. Revenue is recognised to the extent it is realizable wherever there is uncertainty in the ultimate collection. Income from Non-Performing Assets is recognized only when it is realized. Income and expense under bilateral assignment of receivables accrue over the life of the related receivables assigned. Interest income on deposits are recognised on time proportionate basis.

Property, Plant and Equipment:

- a) Property, plant and equipments are stated at historical cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

- b) Effective from 1st April 2022, the Company changed its method of computing depreciation from WDV methods to the straight-line method for the Company's Long Term assets. Based on Statement of Accounting Standards, the Company determined that the change in depreciation method from WDV method to a straight-line method is a change in accounting estimate affected by a change in accounting principle.

The management of the company is of the opinion that the change is preferable because the straight-line method will more accurately reflect the pattern of usage and the expected benefits of such assets and provide greater consistency with the depreciation methods used by other companies in the Company's industry.

Investments:

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as Non-Current investments.

- c) Non Current Quoted Investments are valued "At Cost".
- d) Non Current Unquoted Investments are valued "At Cost".
- e) Unquoted Current Investments are stated at lower cost and fair value determined on an individual investment basis.
- f) In case of decline in the value of Non-current investments other than temporary in nature, provision is made in the accounts.
- g) Investment in Immovable properties are valued at cost less depreciation till date.
- h) On disposal of investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

Employee Benefits :

Defined Benefit Plan –

- a) Employee benefits of Short Term nature are recognized as expense as and when it accrues.
- b) Employee benefits of Long Term nature, covering eligible employees, are recognized as expense based on Projected Unit Credit Method of Actuarial Valuation, as at the end of the year Post Employment benefits, covering eligible employees, are recognized as expenses based on Projected Unit Credit Method of Actuarial Valuation, as at the end of the year.

Impairment of Assets

The Company assesses at the end of the Financial Year whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the end of the Financial Year there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

Provisions, Contingent Liabilities and Contingent Assets

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

Provision for Standard Assets and Non-Performing Assets

The Company makes provision for standard assets and non-performing assets as per Non-Banking Financial Company - Non-Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016. - a) The Company's operating businesses are organized and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The Company has identified only one business segment – Financing.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 as amended ("Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

The Company's management and the Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report including annexures to Board's report but does not include the standalone financial statements and our auditor's report thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

INDEPENDENT AUDITOR'S REPORT

To
The Members of **RAJSHREE TRACOM PRIVATE LIMITED**
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **RAJSHREE TRACOM PRIVATE LIMITED** ('the Company'), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss and a summary of significant accounting policies and other explanatory information (herein after referred to as "financial statements") for the year then ended.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provided a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Contd..

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. That Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Contd..

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
