6. Institutional set-up for liquidity risk management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk. The Board approves the governance structure, policies, strategy, and the risk tolerance limit for the management of liquidity risk.

The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk management. The ALCO meetings are held at periodic intervals. At the top level, the Risk Management Committee (RMC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RMC subsequently updates the Board of Directors on the same.
